

PUBLIC PARTICIPATION TRAINING

CHICAGO, IL

SEPTEMBER 24-28, 2018

8:30 AM - 4:30 PM

HANDS-ON WORKSHOP | Globally Recognized Standard for Effective Community Engagement

THE PARTICIPATION COMPANY formed when a group of some of the most experienced and successful practitioners gathered to provide IAP2's flagship public participation training to people who needed it most.

This team of experts has developed and refined the International Association for Public Participation (IAP2) training curriculum. Most importantly, these highly experienced professionals have designed and executed some of the most challenging public engagement challenges around.

We've been in your shoes and we've faced the problems that you're facing. We'll help you learn and execute practical, doable solutions. We promise.

LEARN WHAT WORKS

Public involvement and community engagement are constantly changing. IAP2's highly respected training program has evolved with changes in demographics, public attitudes and government.

Both new and experienced users and practitioners of community engagement will benefit from the structure, proven techniques and knowledge that you'll get in this highly interactive training course.

PLANNING FOR EFFECTIVE PUBLIC PARTICIPATION **CM I 18**

THREE DAYS

This course is based on proven success over a wide array of worldwide projects.

When you learn the scope of decision making, the processes, and the roles of proponents and the public, you'll know how to apply the foundations to your own challenges.

This course is a prerequisite to the Techniques class.

TECHNIQUES FOR EFFECTIVE PUBLIC PARTICIPATION **CM I 12**

TWO DAYS

You'll learn more than 40 ways of including the public that are meaningful to them and useful to you. You'll experience World Café, Interviews, Revolving Conversations, Deliberation, Advisory Groups and other techniques and methods that will make you more flexible, effective and successful.

THIS IS THE RIGHT COURSE FOR:

- Government managers and planners
- Public policy practitioners
- Sustainability and environment experts
- Infrastructure firms and specialists
- Utilities
- Community organizations and academics

AICP members can earn Certification Maintenance (CM) credits for this activity [or many activities at this event]. When CM credits are available, they are noted at the end of an activity description. More information about AICP's CM program can be found at www.planning.org/cm.
